

BROOKSIDE ESTATES

100-170 Brookside Drive, Port Moody, BC, V3H 3H6

August 28, 2017

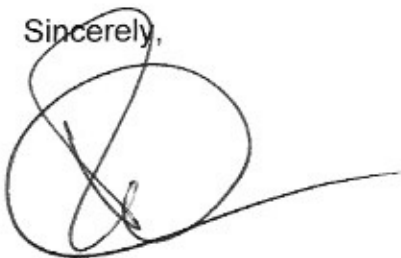

I am writing this letter of reference favoring our landscape maintenance company Lawn Care Plus. We started employing Lawn Care Plus in 2014 and have never looked back.

Our property, Brookside Estates, is a challenging, old growth property on a fairly large slope. When Lawn Care Plus took over the landscaping contract many of our trees and shrubs had been allowed to overgrow and become very unsightly. The crew came in and within a few short visits they had completely turned the property around – lifting tree skirts, tightening up shrubs and greening up our lawns. Brookside Estates now looks like a beautiful park, with lots of usable green spaces that our residents want to use now.

Any requests from the strata council have been dealt with in a professional and timely fashion – often completed on the very next visit. Kyler, his foremen and crew are incredibly approachable, and willing to go above and beyond to ensure that we are happy with their service. The crew is incredibly hard working no matter the weather, and always leaves the property looking clean and tidy at the end of the day.

I do not hesitate to recommend Lawn Care Plus for any of your landscape maintenance needs. If you would like any additional information, please do not hesitate to contact me directly at the number listed below.

Sincerely,
